

US Wholesale Autoship

Guidelines

General Information

Autoship is a monthly standing order of Nikken products, specifically nutritional and other consumable items. Autoship requests will be processed as quickly as possible, usually within two business days. After the initial shipment has been sent, the monthly shipping date will be determined, and subsequent shipments will be sent on the same calendar day each month. The schedule for shipments is Monday through Friday (excluding holidays) during normal business hours. Shipment dates that fall on a Saturday, Sunday or holiday will be processed on the previous business day.

Program Advantages

As an Autoship participant, you will receive a 10% savings on all consumable product orders of ¥112 PV or more. All PV is based on discounted pricing. The discount is not available on Paks or promotional pricing unless specified. This savings is only possible through your consistent participation in the Nikken Autoship Program; non-consumable orders are not available on Autoship and we encourage you to take advantage of other types of discount ordering, including Advanced eNikken (3% discount) and the N.E.A.T.+ System (2% discount). Wellness Consultants who maintain a minimum Autoship volume of 100 PV points per Autoship order will receive the following benefits:

100 PV points or more per month	Under 100 PV points per month
<ul style="list-style-type: none"> • Up to 120 minutes free messaging on the N.E.A.T.+™ System each month • N.E.A.T.+ monthly fee waived 	<ul style="list-style-type: none"> • Up to 60 minutes free messaging on the N.E.A.T.+™ System each month • N.E.A.T.+ monthly fee waived

Electronic Transfer of Funds (ETF) (for Nikken Wellness Consultants only)

If you wish to use an Electronic Transfer of Funds (ETF) to pay for Autoshipments, you will be required to send an ETF form and a voided check (no temporary checks, please) to activate your bank draft. ETF applications will be held until approved by your bank. Please allow up to 10 working days for processing.

Credit Card Payments

If your bank declines your credit card purchase, Nikken will hold the order for a maximum of five business days, after which time your order will be cancelled. Should this occur twice on the same Autoship subscription, your participation in the Autoship Program may be cancelled. There will be no notification of said declined credit card. *(If any information related to your credit card has changed, e.g., expiration date, account number, etc., please advise us as soon as possible to avoid your order being cancelled or delayed.)*

Changes

Order changes may be submitted two ways.

By Advanced eNikken	By Fax or Mail
The number of times you may make changes to your Autoship order is unlimited. All changes must be made at least three business days in advance of your next scheduled shipping date. Your shipping date may vary if it falls on a weekend or holiday as stated under General Information.	Changes are limited to four times per year. All changes must be made using the Autoship Change form at least 20 days in advance of your next scheduled shipping date.

Refused Product

If shipment is refused for any reason, your participation in the Autoship Program may be cancelled.

Back Orders

Nikken will expeditiously ship any part of an Autoship order currently in stock. Any out-of-stock items (unless discontinued) will be placed on backorder. Backordered items will be immediately distributed upon Nikken receiving inventory of that item. Personal Volume will be credited on backordered items at time of purchase unless notified on the invoice of the discontinuance of such product.

Cancellation

To cancel an Autoship order, please advise the Autoship department in writing at least 20 days in advance of your next scheduled shipping date.

Participation in this program constitutes agreement with the conditions of the program. Shipping and tax on all promotional items is the responsibility of the Wellness Consultant.

Nikken reserves the right to modify the above Guidelines at any time without advance written notice.
